Things Fall Apart Chinua Achebe 2013-04-25 Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

"Kill the Chicken to Scare the Monkeys" 2017 "Singapore ... is a repressive place where the government severely restricts what can be said, published, performed, read, or watched. Those who criticize the government or the judiciary, or publicly discuss race and religion, frequently find themselves facing criminal investigations and charges, or civil defamation suits and crippling damages. Public demonstrations and other peaceful assemblies are severely limited, and failue to comply with detailed restrictions on what can be said and who can participate in public gatherings often leads to arrest. [This report] documents the Singaporean government's use of its overbroad criminal laws, oppressive regulatory restrictions, access to funding, and civil lawsuits to

control and limit critical speech or peaceful protest. It provides an in-depth analysis of the laws and regulations used to suppress speech and assembly, including the Public Order Act, the Sedition Act, the Broadcasting Act, various Penal Code provisions, and laws on criminal contempt, and examines how those provisions have been used against peaceful activists. ... Human Rights Watch calls on Singapore's government to drop all pending charges and investigations against those being prosecuted for the exercise of their freedom of expression or their right to participate in peaceful assemblies, and amend or repeal relevant laws to bring them into line with international human rights standards."--Back cover.

Souder William H. Armstrong 2011-07-12 This powerful Newbery-winning classic tells the story of the great coon dog Souder and his family. An African American boy and his family rarely have enough to eat. Each night, the boy's father takes their dog, Souder, out to look for food. The man grows more desperate by the day. When food suddenly appears on the table one morning, it seems like a blessing. But the sheriff and his deputies are not far behind. The ever-loyal Souder remains determined to help the family he loves as hard times bear down. This classic novel shows the courage, love, and faith that bind a family together despite the racism and inhumanity they face in the nineteenth-century deep South. Readers who enjoy timeless dog stories such as *Old Yeller* and *Where the Red Fern Grows* will find much to love in *Souder*, even as they read through tears at times.

Elements of Literature 1989

The Good Soldier Ford Maddox Ford 2021-01-28 *The Good Soldier* is considered Ford's masterpiece. This tale of adultery and deceit centers around two couples, Edward and Leonora Ashburnham, and their American friends, John and Florence Dowell. John Dowell narrates the events of Florence's affair with Edward, the "good soldier," and her subsequent suicide. Through Dowell's confused and perhaps unreliable narrative, Ford attempted to recreate real thoughts. This literary technique was a forerunner to literary techniques employed by such later writers as Samuel Beckett and

J.M. Coetzee. Ford Madox Ford (Ford Madox Hueffer) was born in 1873. He was a novelist, poet, literary critic, editor, and one of the founding fathers of English Modernism. He published over eighty books, including two collaborations with Joseph Conrad (Inheritors in 1901 and Romance in 1903). He died in 1939.

Critical Themes in Drama Kelly

Freebody 2021-03-25 Critical Themes in Drama is concerned with the relationship between drama and the current socio-political context. It builds on and contributes to ongoing scholarly conversations regarding the use, benefit, challenges and opportunities for drama and theatre as a social, cultural, educational and political act. The intention of this book is to canvas current theory and practice in drama, to provide an extended examination of how drama as a pro-social practice intersects with socio-cultural institutions, to link critical discourse and examine ways drama may contribute to a broader social justice agenda. Authors draw on a variety of theoretical tools from the fields of sociology, anthropology and cultural studies. This combines with an exploration of work from drama practitioners across a variety of countries and practices to provide a map of how the field is shaped and how we might understand drama praxis as a social, cultural and political force for change. This book offers drama scholars, practitioners, researchers and teachers a critical exploration which is both hopeful and critical; acknowledging the complexities and potential pitfalls, while celebrating the opportunities for drama as a practice for social action and positive change.
