[Pursuing God's Presence](#) Bill Vincent 2022-06-29 Wow, I can't believe I'm sitting here right now typing this. The visions that God has given me throughout the previous few months have come as a result of these last few months. As I type, I look to the Lord and sense his presence all about me. I am a regular guy who serves an exceptional God. If what has happened to me is as amazing as it appears, you can be sure it will be heavenly visits unlike any other. Since 1991, I've been teaching God's Word. For many years, I have preached and ministered. People were uplifted as a result of personal prophetic ministry. My prophetic ministry has resulted in some healings and even a few of miracles. This may sound like the kind of ministry that ministers desire, but I was dead within. When I preached or worshiped the Lord, I felt nothing. I reached a point when I needed something new and fresh from God. In 2008, I pressed into God with the expectation of receiving something from Him. In many respects, I resembled a whiny youngster begging for a present from his parents. I wasn't sure what was going to happen. I was looking for something new and exciting. There was a part of me that yearned for more of God. Tears were poured, and I screamed at God, telling Him that unless He gave me something new and exciting, I was done with ministry. I told God that I just had a few sermons left and that if I didn't get something new and fresh from Heaven, I'd be done. For days, this went on. I'd listen to music and yell for a while, cry for a while, and then lie in my bed waiting for the moment, which I didn't know how long it would take. There was still nothing, and the longer the deadness lasted, the more enraged I became at God, believing that if He didn't come up, I would be abandoned. I was so lonely that I began to believe He wouldn't turn up. I cried, "God!" More than anything else, I require your assistance. I began to tell God that I loved Him and that I needed Him after saying, "God, I'm tired of this." I was cryin

Authentic Kyle Howell 2018-11-28 There has to be more to church and this whole following Jesus than just showing up on Sunday and slapping the Christian label on, right? The more I talk to people in the church, or those on the outside peeking in, I get this question in some form. One of the words that repeatedly rises to surface is authentic. People are craving authenticity in the church. They don't want a show. They don't care about all the added bells and whistles that the modern church is convinced that they are seeking. It comes down to the church and Christians being real, transparent, and genuine. In fact, I don't believe people are turned off of the extreme call of Christ in the Bible, as much as is assumed. My experience has been when people hear the genuine words and message of Jesus, they are refreshed and more often than not, want to follow Him. So here's what I did in writing this book: I looked at the New Testament church and compared it with what I see in church today. What did they do? What was their heart? How did they respond to the words of Jesus? If we're not careful, we complicate what we're supposed to do as the church. We've added rules and regulations to our walk where love and authentic faith and belief should be. I want to make a loud and bold call out to others who feel the same as I do. You don't merely want to just be here and go through the motions anymore. You see a difference in the life, actions, and faith of the first church and you know the church today needs a major shift in perspective. I hope everyone reads this from unbelievers to skeptics to all believers. But church...the calling and mission is laid on us. We must be about truth. We must have a real authenticity that comes from our Jesus and His words. Now, more than ever, the world needs to see that we really believe these words. They not only need to see that we believe it, but they need to see it truly lived out in our lives.

Pursuing Christ Likeness Rev J. A. Roberts 2013-07 Spurred by two verses of chapter three of Philippians, author Rev. J. A. Roberts found a desire to experience the power of Christ's resurrection, just as Paul yearned to know Christ and share in the fellowship of Christ's suffering, becoming like him in his death. In Pursuing Christ Likeness, Roberts presents a seven-day devotional showing how Christians can actualize that kind of Christ likeness in their everyday lives. This guide includes devotional readings, questions for reflection, personal prayers, closing prayers, and journal pages. For Roberts, it is a confession of pride and selfishness, of mediocre Christianity, and of transformation and surrender. It is also a heart song for all those who truly want to know, share in, and more fully experience the Lord Jesus, but are fearful of that encounter. Pursuing Christ Likeness presents a seven-day journey designed to encourage Christians to take the step of faith to experience the Lord in all the aspects of his person.

Radical Character for Pursuing God Dean Trune 2012-09-14 This book will help identify character qualities that move us toward the character qualities of Jesus. Pursuing godly character is important; it is also rare. From my experience, more marriages, more churches, more relationships, and more work situations are destroyed by lack of character than from everything else combined. Lack of character allows such qualities as pride, deception, arrogance, rebellion, selfishness, distrust, and rudeness to run rampant. Knowledge alone is not the answer. Accountability alone is not the answer. Spiritual discipline alone is not the answer. All of these things can help develop character, but I have observed some knowledgeable, accountable, spiritually disciplined leaders, including myself, doing foolish things for lack of character. I am fairly confident that Jesus is not really impressed with how much we know, how accountable we are, or how many spiritual disciplines we practice regularly. I believe He is more excited about a humble, obedient heart that follows Him faithfully and trusts Him explicitly more than anything else. I want to have that kind of a heart, and I want each man I coach and mentor to have that kind of a heart. In fact, I want everyone to have that kind of a heart. As you and I spend quality time with God, this intimacy should produce radical character. The character of Jesus is radical compared to that of a typical Christ-follower, so if you and I are going to live like Jesus, we need to possess radical character qualities that resemble His. He told us to make disciples, those who think and act like He thinks and acts. That is radical.

Daniel John Ortberg 2009-12-15 Stand Strong in Life's Furnaces How do you respond when the bottom drops out? What happens to your character quotient when things don't go the way you planned? How do you react when the temperature is rising, you are under attack, and God seems far away? Daniel discovered that the furnace experiences of life refine and define us. Spiritual integrity rarely grows when everything goes our way. Instead, God uses things like a furnace, a lion's den, a mad king, and exile in a foreign country to forge character in a soul. If you long to meet God in the challenging times and come through the fire stronger and more faithful, Daniel is ready to show the way. [Beyond a Whistle and a Prayer: Transforming Lives, Pursuing Excellence, Honoring Jesus through Coaching](#) Christopher M. Schrader, PhD. 2015 "Beyond a Whistle and a Prayer will forever change the way you look at sports and coaching. Society advocates sports as a means to instill virtue and character in our youth. But we all know that the system is broken to a large extent - from youth sports through college, and beyond. Too many coaches and parents are driven by the scoreboard, the win-at-all costs model. Is it any wonder that 70% of kids drop out of sports by age 12? Many of us remember the words and actions of coaches for a lifetime. What memories are you leaving with your athletes? Chris helps us make sense of why sports are broken and how they can be restored as a tool to positively impact lives. It all centers on coaches being transformed by biblical truths and implementing practical tools so they can field competitive teams while also loving their athletes well. Join the journey and learn to coach with joy." -Gilbert Tuhabonye: Author of This Voice in My Heart; 8-time NCAA All-American; Distance Running Coach

Christians in the Culture Matthew Allen 2021-04-22 Our culture is largely losing faith in Christ. Every sign indicates that Christianity is on a steep decline in the west. Church membership is in a free-fall, with more and more people adopting secular or non-Christian ideals. Christian values have long had a foothold in the west, but now times have changed. Should we despair at the 'bleak future?' This is a reality that frequently causes modern believers to shudder and become anxious. We fear we may be entering a time of judgment or chastening. That is only for God to know.We do know this. The times that seem dim have always been the times where the people of God actually shone the brightest. While it no longer becomes culturally convenient for Christians to follow Jesus in a robust sense, we will be challenged in ways we never imagined. We will also need to take care to remain "salt and light."We will confront mounting issues that press us as the secular values of the culture come in like a tide. We will face issues of politics, identity, science, family, and our role as the church in cultural moments like these in days to come. With what sort of spirit will we rise to the occasion?"The early Christians did not say in dismay, 'look what the world has come to,' but in delight 'look what has come into the world'" - E. Stanley Jones

In this roll-your-sleeves-up look at Scripture, each of the studies begins with a short reflection tied to the present day, providing a springboard into the various passages presented from the Old and New Testaments. Then, in a refreshing departure from the typical bible studies in the marketplace, the author doesn't explain what the passage means or offer support on what she feels God is trying to say from Scripture. Instead, Lotz asks dozens of questions in each study, prompting readers to personally dig into Scripture and discover God's specific message for themselves. "

Pursuing God's Beauty Margaret Feinberg 2011 In this six-session small group Bible study, Pursuing God's Beauty, Margaret Feinberg looks at six stories of beauty from the Gospel of John that illustrate how God's beauty is present in your life. God created us to be drawn toward beauty--created us to pursue beauty so that we might know more about His character, attributes, and work in our world. Perhaps no book of the Bible paints a clearer picture of this than the Gospel of John. Throughout John's Gospel, the beauty of God radiates in the person of Jesus Christ--the one in whom God displayed His whole heart for the world to see. It's within the person of Jesus that we find the invisible attributes of God being made visible, on display like fine pieces of artwork--to be enjoyed, celebrated, and reflected on. This Participant Guide includes six sessions that can be adapted to any number of weeks. It includes ideas for experiential activities and icebreakers, and five after-hours studies per session for those who want to dig deeper into Scripture at home. Pursuing God's Beauty reveals breathtaking portraits of the salvation, redemption, and restoration that God the Artist longs to complete in us. Designed for use with the Pursuing God's Beauty DVD (sold separately). Sessions include: 1. Encountering Jesus (John 1 - 3) 2. When God Sees through You (John 4 - 8) 3. Recognizing the Blind Spots (John 9 - 11) 4. When Worship Costs More than Expected (John 12 - 17) 5. Mistakes that Refine Instead of Define (John 18 - 19) 6. The Hope and Healing of Resurrection (John 20 - 21)

The Pursuing God Joshua Ryan Butler 2016-05-03 Is God lost? Many of us feel that way. It's as if God's gone missing, out in the universe somewhere—and we must pick up the hunt, following any trail of breadcrumbs he may have left to go out and find him. We speak of “searching for God,” “exploring spirituality,” and “finding faith.” But what if we have it backward? What if God is the one pursuing us? What if our job is not to go out and find God, but simply to stop running and hiding? Not to earn God's love, but to receive it? Not to turn on the light, but to step out of the shadows? Jesus reveals a God on the prowl, pursuing us, hunting down his world for reconciliation. And the question we're left with is not whether we've pursued hard enough, searched long enough, or jumped high enough . . . The question is, “Do we want to be found?”

The Real Win Colt McCoy 2013-05-07 “I can't speak highly enough about the way this book addresses manhood in our culture. Biblically challenging and radically applicable, it honestly addresses the deepest longings and fears a man faces.” --Matt Chandler Prepare for a paradigm-shifting view of biblical manhood. Every man wants to succeed. But for so many, life seems to get in the way. We all have friends—good men, followers of Christ even—who start out well but before long, they're failing at relationships, bending ethical standards, or driving themselves so hard at work they're losing the hearts of their wife and kids. In The Real Win, Colt McCoy and Matt Carter wrestle deeply and personally with this challenge, then deliver down-to-earth, biblical answers. Based on their personal experiences and a close study of Scripture, McCoy and Carter show men: • Why so much depends on who you trust and who you serve • Why every man is called to lead and why every man can • How to man up to temptation—and conquer it • How to find the “win” even in your biggest failure “The real win means trusting the Lord and walking with Jesus no matter what,” write Matt and Colt. “That kind of faithfulness is possible for any man who follows

God with all his heart. No matter what circumstances threaten him, a faithful man is the most truly confident man in the room.” Complete with practical study guide for personal or small group use.

Pursuing Christ. Creating Art. Gary A. Molander 2011-06-28 PURSUING CHRIST. CREATING ART. is written for people who are living in the intersection of the Christian faith, and the creation of art. By their nature, artists look at a life of faith differently, and that unique journey warrants an exploration of what it means to be a Christ-follower and an artist. The book intentionally veers away from tips and techniques and formulas, while concentrating on the journey, the mystery, and the heart.

Pursuing Moral Faithfulness Gary Tyra 2015-04-15 In response to the moralism and relativism that characterize the present age, Gary Tyra presents an evangelical ethic for "everyday" moral faithfulness, arguing that Christians can have confidence in their Christ-centered, Spirit-enabled ability to discern and do the will of God in any moral situation.

Less of More Chris Nye 2019-05-21 The US Constitution guarantees the right to the pursuit of happiness. But for most Americans, what this really means is the pursuit of more--more money, more prestige, more stuff. We've made idols out of innovation, growth, power, and wealth. Far from offering us happiness and satisfaction, this relentless pursuit of more has only left us exhausted, isolated, miserable, and wondering if there is a better way. There is. Less of More exposes the American pursuit of more for what it truly is: an attempt to satisfy our souls with the temporary instead of the eternal. Pastor and writer Chris Nye invites us to consider what a full and abundant life looks like apart from money, status, and power. He exposes the lies inherent in our obsession with growth, fame, and wealth, and calls us to a countercultural life marked by connection, obscurity, vulnerability, and generosity. For anyone who has gained the world but lost their soul, Less of More offers a compelling path toward a life of true, deep, lasting satisfaction with Jesus--not us--at the center of it.

Pursuing Justice Ken Wytsma 2013-02-11 The ONLY way to find abundant life and happiness is to give your life away. If God designed us to experience true happiness and abundant life, why do so many Christians feel dissatisfied and purposeless? We try to make our lives better by chasing our own dreams, but that only makes the problem worse. Instead, the path to a just life that's satisfying and permeated with meaning leads us alongside the orphan, the widow, and the powerless. Using clear evangelical theology and compelling narratives drawn from two decades of global ministry and travel, Ken Wytsma, the founder of The Justice Conference, shows God's unchanging love for all His children. On the way, the author calls us back to a proper understanding of biblical justice, a redeeming glimpse into the true meaning of righteousness and the remarkable connection between our own joy, the joy of others, and the wondrous Gospel of Jesus Christ. Pursuing Justice shows that God isn't primarily concerned with personal piety but about empowering His children to do justly, to love mercy, and to walk humbly with their creator. The message is as hopeful as it is fresh: when you discover anew the meaning of the Gospel and give your life away, you will find it...and it will be the best life you can imagine. First-time author Wytsma (with an assist from Jacobsen) is one of the new breed of evangelical Christians returning to scripture to redeem justice as a central tenet of faith.... Wytsma infuses his writing with fresh experiences from working with the millennial generation.... “Apathy tells us that it's perfectly acceptable to live with illusions of our own justice,” he writes, neatly linking those concerns. This accessible guide provides trustworthy scriptural analysis, examples of contemporary justice issues...and a solid philosophy for understanding the role of justice in today's society.... “Justice cannot be divorced from God's heart and purposes,” he writes. “It permeates them.” Wytsma's authorial voice is engaging, encouraging, and invitational. His humor helps the reader recognize her own humanity and transformative potential within the unfolding moral arc of the universe. --Publishers Weekly “Justice has become trendy. Ken Wytsma's Pursuing Justice avoids all the pitfalls of trendiness. It exhibits a deep and accurate understanding of the nature of justice. It is an eye-opener.” —NICHOLAS WOLTERSTORFF, Noah Porter Professor Emeritus of Philosophical Theology, Yale University; Senior Research Fellow, Institute for Advanced Studies in Culture, University of Virginia “Ken is a fresh voice of balance, humility, and collaboration. His enthusiasm is contagious and his challenge to the church to not only do justice, but to learn to do it well, is commendable.” —KEITH WRIGHT, International President of Food for the Hungry “Ken Wytsma's Pursuing Justice will rattle you. Not since C. S. Lewis put down his pen have readers been so provoked to think. It will change the way you approach others.” —KAREN SPEARS ZACHARIAS, Author of A Silence of Mockingbirds and Will Jesus Buy Me a Double-Wide? “Ken Wytsma not only brings us back to a biblical understanding of justice, but also humbly calls us to pursue it in practice. I was both enlightened and motivated.” —RANDAL ROBERTS, President of Western Seminary, Portland, OR “In Pursuing Justice, Ken is at the cutting edge of where God's heart is. This book is timely and needs to be read by everyone in the church.” —JOHN M. Like Christ by Grace Carl Becker 2012-05 What do you want out of life? What are you pursuing? Happiness? Money? Fame? Fortune? Pleasure? Security? The ultimate prize is none of these but is actually something much higher and better: Christlikeness. It sounds formidable, but ask yourself one question: Don't you want to be like Christ? If you answered YES! then this book is for you! Have you ever asked yourself, "How can I be more like Jesus? How can I stop sinning? How can I live consistently in a way that pleases God?" Have you ever wondered what the scripture means, "Without holiness no man will see the Lord"? Does it distress you that many believers seem to disregard holiness because they think that they are not "under the law"? Have you ever thought about what it means to be "under the law" and "under grace"? Are you concerned that our nation has cast God aside and is pursuing a secularist agenda? How can that be reversed? Like Christ By Grace: Pursuing the Prize of Christlikeness By God's Grace will give you the answers you seek. Jesus Christ supplies everything you need to be like Him. The book you hold in your hands is a message of encouragement and hope, as well as a challenging call to Christlikeness. No matter how many times you have fallen and no matter how miserably you may have failed, God is on your side. God is for you. He's not about to give up on you. You can be like Christ by grace!

Pursuing Your Passion Chris Louer 2009-03-01 In this book, Pursuing Your Passion, as a child of God, you will learn how to identify your

passion. More importantly, however, you will learn valuable lessons that will be encountered along the way. Throughout this book, we will explore the passion and pursuit of Nehemiah in God's Word. Learn how God develops a servant's heart in all of us first and foremost. Through studying God's Word, see how obstacles we face must come, to see what we're really made of, and how these obstacles can actually strengthen our passion. Walk with me, as we read about Nehemiah's passion, and how he pursued it. Dare to take a risk, and step out in your own passion. Are you ready to pursue your passion? Get ready to embark upon an adventure! Chris Louer is a native born Californian who lives in Mission Viejo, California. Chris, a bible teacher, received the Lord at the age of seven, and has been teaching and ministering to women for over twenty years. God's faithfulness to His Word is a reality to Chris and the gentle, practical way she encourages women, has won her the loving respect of women she has ministered to in Bible Studies, retreats and converences, and individually over the past twenty years. Chris and her husband Ron have been married for thirty-six years. They have two grown married daughters, Melissa and Adrienne, four grandchildren, as well as two godly son-in-laws, Shane and Aron. With boldness and practical teaching, Chris delivers the Word to this current generation, alerting the Body of Christ to what God requires for us to remain overcomers in these days.

Pursuing Peace Fernando Garzon 2008-04-01 Thousands of Christians all over the world are reporting transformational experiences through Theophostic Prayer Ministry. Their testimonies are powerful, yet controversy remains for some. Skeptics say testimonials are limited and empirical proof is needed. This gives rise for quality research. The case studies in this book provide a good start and help to determine if more costly and rigorous studies are merited. This book is written without a lot of scientific jargon to appeal to both professional and lay-person alike. The researchers tell the stories of some of the clients in the study, along with providing charts, graphs and detailed reports from their test findings. Finally a summary of all the results from the sixteen clients that completed this study is closely examined. The positive outcomes represent a first small step in evaluating Theophostic Prayer. Even though more research studies need to be completed, the findings from this study are very encouraging. They provide a clear idea of the type of studies that need to follow this case study work in order to more fully assess this approach. In the final chapter, Ed Smith (the founder of Theophostic Prayer) answers many frequently asked questions about Theophostic Prayer. Dr. Fernando Garzon is an Associate Professor in the Center for Counseling and Family Studies at Liberty University. He has a Psy.D. in Clinical Psychology from Fuller Theological Seminary and a B.A. in Biology from Wake Forest University. His interest areas include spiritual interventions in psychotherapy and Christian counselor education. Liberty University does not officially endorse Theophostic Prayer Ministry but rather supports the theological andscientific examination of this and other Christian intervention strategies. Correspondence regarding this book may be sent to Dr. Garzon at Liberty University, 1971 University Blvd., Lynchburg, VA 24502 or fgarzon@liberty.edu.

A Sacred Rendezvous Ron Mahler 2020-12-15 Noise and trouble characterized the first century world Jesus incarnated into. Accordingly, He had a plan to combat the sirens of chaos blaring around Him: solitude. As the twenty-first century tumbles more and more out of control, noise and trouble continue to define the times we live in. We require spiritual space where we can unplug from the currents of daily commotion. More than ever, we're in need of sanctuary and silence. In A Sacred Rendezvous, Ron Mahler, with fresh and creative insight, takes you on a journey through the Gospels to revisit the pathways the Saviour used to escape to remote places in order to meet up with the Father. You will be challenged to go beyond merely observing that intimacy to realizing and craving it, personally and continually. From heaven's perspective, we'll likely wonder how we could've settled for anything less on earth than the most sacred of all rendezvous!
