Mortality Christopher Hitchens 2012-09-04 On June 8, 2010, while on a book tour for his bestselling memoir, Hitch-22, Christopher Hitchens was stricken in his New York hotel room with excruciating pain in his chest and thorax. As he would later write in the first of a series of award-winning columns for Vanity Fair, he suddenly found himself being deported "from the country of the well across the stark frontier that marks off the land of malady." Over the next eighteen months, until his death in Houston on December 15, 2011, he wrote constantly and brilliantly on politics and culture, astonishing readers with his capacity for superior work even in extremis. Throughout the course of his ordeal battling esophageal cancer, Hitchens adamantly and bravely refused the solace of religion, preferring to confront death with both eyes open. In this riveting account of his affliction, Hitchens poignantly describes the torments of illness, discusses its taboos, and explores how disease transforms experience and changes our relationship to the world around us. By turns personal and philosophical, Hitchens embraces the full panoply of human emotions as cancer invades his body and compels him to grapple with the enigma of death. Mortality is the exemplary story of one man's refusal to cower in the face of the unknown, as well as a searching look at the human predicament. Crisp and vivid, veined throughout with penetrating intelligence, Hitchens's testament is a courageous and lucid work of literature, an affirmation of the dignity and worth of man.

The Mortality Doctrine Series: The Complete Trilogy James Dashner 2017-08-29 From James Dashner, #1 New York Times bestselling author of the Maze Runner series, comes the complete collection of all three books in the bestselling Mortality Doctrine series— The Eye of Minds, The Rule of Thoughts, and The Game of Lives. This edge-of-your-seat cyber-adventure trilogy is the perfect gift for fans of Marie Lu and Brandon Sanderson. The VirtNet offers total mind and body immersion, and the more hacking skills you have, the more fun it is. Why bother following the rules when it's so easy to break them? But some rules were made for a reason. Some technology is too dangerous to fool with. And one gamer has been doing exactly that, with murderous results. The government knows that to catch a hacker, you need a hacker. And they've been watching Michael. If he accepts their challenge, Michael will need to go off the VirtNet grid, to the back alleys and corners of the system human eyes have never seen—and it's possible that the line between game and reality will be blurred forever. Also look for James Dashner's Maze Runner series— The Maze Runner, The Scorch Trials, The Death Cure, The Kill Order, and The Fever Code. The first and second books, The Maze Runner and The Scorch Trials, are now major motion pictures featuring the star of MTV's Teen Wolf, Dylan O'Brien; Kaya Scodelario; Aml Ameen; Will Poulter; and Thomas Brodie-Sangster! Praise for the Mortality Doctrine series: "Dashner takes full advantage of the Matrix-esque potential for asking 'what is real.'" —iO9.com "Set in a world taken over by virtual reality gaming, the series perfectly capture[s] Dashner's hallmarks for inventiveness, teen dialogue and an ability to add twists and turns like no other author." —MTV.com "A brilliant, visceral, gamified mash-up of The Matrix and Inception, guaranteed to thrill even the non-gaming crowd." —Christian Science Monitor

The Gilded Ones Namina Forna 2021-02-09 INSTANT NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY TEEN VOGUE "A dark feminist tale spun with blood and gold. Must read!" -Dhonielle Clayton, New York Times bestselling author of The Belles Sixteen-year-old Deka lives in fear and anticipation of the blood ceremony that will determine whether she will become a member of her village. Already different from everyone else because of her unnatural intuition, Deka prays for red blood so she can finally feel like she belongs. But on the day of the ceremony, her blood runs gold, the color of impurity—and Deka knows she will face a consequence worse than death. Then a mysterious woman comes to her with a choice: stay in the village and submit to her fate, or leave to fight for the emperor in an army of girls just like her. They are called alaki-near-immortals with rare gifts. And they are the only ones who can stop the empire's greatest threat. Knowing the dangers that lie ahead yet yearning for acceptance, Deka decides to leave the only life she's ever known. But as she journeys to the capital to train for the biggest battle of her life, she will discover that the great walled city holds many surprises. Nothing and no one are quite what they seem to be—not even Deka herself. The start of a bold and immersive fantasy series for fans of Children of Blood and Bone and Black Panther.

The body count that preempted it was not. Once an illustrious princess, her hands and tentacles were stained with the blood of thousands. No one could comprehend how the hooks of madness dragged her down from her life of privilege. Born Princess Vanessa of Atlantica, the ambitious young royal was one of two children born to the great King Poseidon. She and her brother, Triton, were groomed from birth to rule. Yet only one would ascend that coveted throne. While carefree Triton flits through his training with a cavalier demeanor and beguiling charm, Vanessa's hunger for her father's acceptance drives her to push herself to the limits of magic, and combat to become a leader worthy of her people. When war against the humans ravages their once regal kingdom, political sides are chosen. Factions from the seven seas challenge the existing leadership, pitting Vanessa against her brother in a vicious battle for the crown. Traitors are exposed, dark family secrets revealed, and a once strong sibling bond is strained to its breaking point. Only when the ink black waters from the ultimate betrayal recind, will the truth be known of how the villainous sea witch rose with one name on her vengeful lips—Triton.

Plus there's a cute stagehand named Herb, who could make it even more interesting. **Mortality Doctrine: The Game of Lives** James Dashner 2015-11-19 The games Michael is playing have become all too real. Only weeks ago, sinking into the Sleep was fun. The VirtNet combined the most cutting-edge technology and the most sophisticated gaming for a full mind-body experience. And it was Michael's passion. But now every time Michael sinks, he risks his life. The games are over. The VirtNet has become a world of deadly consequences, and Kaine grows stronger by the day. The Mortality Doctrine – Kaine's master plan – has nearly been realized, and little by little the line separating the virtual from the real is blurring. If Kaine succeeds, it will mean worldwide cyber domination. And it looks like Michael and his friends are the only ones who can put the monster back in the box – if Michael can figure out who his friends really are. From the New York Times bestselling author of the Maze Runner series comes The Game of Lives, the thrilling finale to the Mortality Doctrine series. Perfect for fans of Divergent and The Hunger Games.

The Kill Order James Dashner 2013-12-05 When sun flares hit the Earth, intense heat, toxic radiation and flooding followed, wiping out much of the human race. Those who survived live in basic communities in the mountains, hunting for food. For Mark and his friends, surviving is difficult, and then an enemy arrives, infecting people with a highly contagious virus. Thousands die, and the virus is spreading. Worse, it's mutating, and people are going crazy. It's up to Mark and his friends to find the enemy – and a cure – before the Flare infects them all. ... *Maze Runner: The Scorch Trials* Jackson Lanzing 2015-06-23 Escaping the Maze was only the beginning. The world thought it had seen the worst after the Sun Flares struck the Earth's surface, and millions of people were killed. But then an unstoppable illness ravaged the bodies and minds of the remaining survivors. Simply known as the Flare, the disease seemed unstoppable until a cure was discovered, but that relief came at a human cost. Now it's up to Thomas, Teresa and the others, who will discover that while they may have escaped the Maze, they've entered into an experiment more terrifying than anything they could imagine. Explore how the terrifying W.C.K.D. came to be, and how the very first Maze was designed. Discover what it takes to survive in a post-Flare world, against the violent Cranks that have begun to take over humanity, only to learn that the Glade may not be the only Maze W.C.K.D. was running. With over 6.5 million books in print, and an international hit film series, it's plain to see fans lost themselves in James Dashner's bestselling series. Featuring an introduction from Dashner himself, this collection of all new short stories reveals the hidden histories of your favorite Gladers, including Aris, Ava Paige, and Mary Cooper before The Scorch Trials hits theaters on September 18. *Scavengers* Darren Simpson 2019-03 Landfill has lived his whole life as a scavenger, running with woaifers, swimming with turtles and feasting on fresh gull. The House of Tongues James Dashner 2021-10-21 The author of the New York Times best-selling Maze Runner series leads us on a dark journey of generational horror as we visit The House of Tongues. David Player has spent 30 years trying to forget the traumas of his childhood. The threats, the kidnappings, the murders. The imagined curses of a people born centuries earlier, passed from father to son, mother to daughter, generation to generation. Its climax came in human form, a monster of a man, one of the most notorious serial killers the nation has ever seen: Pee Wee Gaskins. And Gaskins had a particular hatred for the Player family, then for David, himself, who barely escaped those years with his own life intact. Now David is back, his four children in tow, visiting his parents' home, a place he has learned to cherish despite the evils that haunted his younger days. But no sooner does he return than a stranger visits their doorstep, the son of Pee Wee Gaskins. In a terrifying display, right in front of the kids, the man utters threats until he chokes on his own tongue, sparking a series of events that drag David and his family back into the days of curses and murders, onto a path of unimaginable terror, all too familiar. That path leads to an old gothic tower in the woods, a place David had blocked from his memory, a house of horrors both past and present. The House of Tongues.

The Opening of the Third Eye Dr. Douglas M. Baker 2014-03-02 The Opening of the Third Eye: The human brain is a priceless computer lying perfectly maintained but almost silent! None of us uses the full potential of this amazing instrument, yet we all possess a secret 'trigger' for activating its mechanism. Called 'the Third Eye' in occult language, this 'trigger' can release a vortex of psychic energy for the extension of awareness in new dimensions, for speeding up or slowing down time as experienced on our planet, and achieving one hundred per cent personality integration. Dr. Baker reveals that the Third Eye derives its power from the pineal, pituitary and carotid glands, allied to 'whirlwinds' of energy known as 'chakras' or force centres. There are seven of these centres in the human body, their physical location being the base of the spine, the solar plexus, the spleen, the heart, the throat, the brain, and the top of the head. Five safe techniques for arousing the Third Eye are provided. They have been practised by the author 'without hazard and with many rewards for over forty years.' In our present condition we can only observe the outer surface of the planet, manifesting in gaseous, liquid and solid form. We are completely unaware of the subtler states of matter beneath these outward appearances. But the Third Eye reveals all underlying structures. "This means that one could observe the termites in apparently solid wooden paneling; or, more constructively, man's inner organs could be observed and all traces of disease in them immediately recognised, with consequent enormous benefits to medical progress."

A Door in the Woods James Dashner 2003 From Duluth, Georgia, fourteen-year-old Jimmy Fincher sets off on a quest that takes him across the country and to other, sometimes terrifying, worlds, armed with a powerful gift and a mission: to prevent the evil Stompers from destroying Earth.

Dreamhunter Elizabeth Knox 2014-12-09 Laura comes from a world similar to our own except for one difference: it is next to the Place, an unfathomable land that fosters dreams of every kind and is inaccessible to all but a select few, the Dreamhunters. These are individuals with special gifts: the ability to catch larger-than-life dreams and relay them to audiences in the magnificent dream palace, the Rainbow Opera. People travel from all around to experience the benefits of the hunters' unique visions. Now fifteen-year-old Laura and her cousin Rose, daughters of Dreamhunters, are eligible to test themselves at the Place and find out whether they qualify for the passage. But nothing can prepare them for what they are about to discover. For within the Place lies a horrific secret kept hidden by corrupt members of the government. And when Laura's father, the man who discovered the Place, disappears, she realizes that this secret has the power to destroy everyone she loves. . . . In the midst of a fascinating landscape, Laura's dreamy childhood is ending and a nightmare beginning. This rich novel, filled with beauty, danger, politics, and intrigue, comes to a powerful crescendo, leaving readers clamoring for Book Two. *Dreamhunter* is a 2007 Bank Street - Best Children's Book of the Year. "It is like nothing else I've ever read." -- Stephenie Meyer, The Twilight Saga

The Game of Lives (The Mortality Doctrine, Book Three) James Dashner 2015-11-17 From James Dashner, author of the #1 New York Times bestselling Maze Runner series, comes the final book in the Mortality Doctrine series, an edge-of-your-seat cyber-adventure trilogy that includes The Eye of Minds and The Rule of Thoughts. Includes a sneak peek of The Fever Code, the highly-anticipated conclusion to the Maze Runner series—the novel that finally reveals how the maze was built! Michael used to live to game, but the games he was playing have become all too real. Only weeks ago, sinking into the Sleep was fun. The VirtNet combined the most cutting-edge technology and the most sophisticated gaming for a full mind-body experience. And it was Michael's passion. But now every time Michael sinks, he risks his life. The games are over. The VirtNet has become a world of deadly consequences, and Kaine grows stronger by the day. The Mortality Doctrine – Kaine's master plan—has nearly been realized, and little by little the line separating the virtual from the real is blurring. If Kaine succeeds, it will mean worldwide cyber domination. And it looks like Michael and his friends are the only ones who can put the monster back in the box—if Michael can figure out who his friends really are. The author who brought you the #1 New York Times bestselling MAZE RUNNER series and two #1 movies—The Maze Runner and The Scorch Trials—now brings you an electrifying cyber-adventure trilogy that takes you into a world of hyperadvanced technology, cyber terrorists, and gaming beyond your wildest dreams . . . and your worst nightmares. Praise for the MORTALITY DOCTRINE series: "Dashner takes full advantage of the Matrix-esque potential for asking 'what is real.'" —iO9.com "Set in a world taken over by virtual reality gaming, the series perfectly capture[s] Dashner's hallmarks for inventiveness, teen dialogue and an ability to add twists and turns like no other author." —MTV.com "A brilliant, visceral, gamified mash-up of The Matrix and Inception, guaranteed to thrill even the non-gaming crowd." —Christian Science Monitor *The Maze Runner* James Dashner 2014 When the doors of the lift crank open, the only thing Thomas remembers is his first name. But he's not alone. He's surrounded by boys who welcome him to the Glade - a walled encampment at the centre of a bizarre and terrible stone maze. Like Thomas, the Gladers don't know why or how they came to be there √ or what's happened to the world outside. All they know is that every morning when the walls slide back, they will risk everything √ even the Grieviers, half-machine, half-animal horror that patrol its corridors, to try and find out.
